Dear Parent,

I am pleased to welcome your child into the program. In order that the programs operate smoothly and all the children have a good and safe experience, there are rules in place to guide behavior. Your cooperation will be both expected and appreciated. The War Memorial is a very large building located on a very busy street, therefore children under the age of ten need to be accompanied by an adult. All class participants are required to check in at the front desk and check in at the pool and gym (parents of young children may do the checking in and siblings can come, but are not allowed to participate). Non-registered children and parents are not allowed access to these facilities. Please do not ask to speak to instructors, as they are not authorized to allow your child into a class after registration is complete. You will be referred to me for entry after class registration is closed.

Swim Rules

Parents are required to be in the pool during toddler/pre-school instruction. There must be one adult per child in this class. Parents of children in pre-school referral through level six must sit in the balcony not on the deck. Please prepare your child in advance for this so your child has realistic expectations. Children who are not toilet trained must wear a swim diaper in order to prevent pool contamination. If contamination happens the pool has to be closed for twenty-four hours. Please change your child in the locker room and not on the pool deck. Only participants are allowed in the pool during lessons. When a student's lesson is over, they need to leave the water. Please do not interrupt instructors while they are teaching. If you have comments or concerns about instruction or need information from the teacher please address your questions to the swim school manager. All children will be screened for placement at their first class. The swim school manager and the staff assigned will make the determination as to appropriate level and group. If you can not place your child in the correct level due to scheduling conflicts, it would make sense not to register them and wait for a more appropriate time.

Gym Rules

Parents not required to participate in class need to sit in the balcony along with siblings. No children or parents not participating are to be on the gym floor as this causes a distraction as well as safety hazard. No one, including class participants, is to use any gymnastics equipment without the permission of the instructors. Please take into account the significant risk involved when you do not cooperate. Please do not ask instructors to allow non-registered siblings into classes. Please respect all the children's and teachers right to undisturbed instruction. No student is to remain for more classes than they have registered for. If you have questions please speak to the gym manager.

If you have questions or concern please call me, I will be happy to speak to you.

I can be reached at 617 349-6237.

Sincerely,

Donna M. Cameron, Recreation Activities Manager

Instructors are not part of this process, so please raise only progress concerns with them and not placement concerns. Thank you for your cooperation in this matter. Sea Dawg's Swim Team Fall Program

Sea Dawg's Swim Team Fall Program

If you are looking for a competitive swim program for your child, consider the Sea Dawg's.

Skills and technique are emphasized in this program as well as good sportsmanship and healthy competition. It is important that you make a commitment to the team and be ready to work from October to mid March. If a swimmer and their parents are not committed then you let down the other team members that are depending on you to help the team win.

Children age 5-18 may participate in this program as long as they can swim twenty five yards of free style, backstroke, and breast stroke. The butterfly will be taught by the coaches if your child does not know the stroke. A participants strokes do not have to be perfect but remember this is not a learn to swim program. Strokes will be tweaked as needed.

Parents are a vital part of the program and are required to volunteer at meets as part of your responsibility. It is unfair to expect other parents to carry the responsibility while others do not contribute. Other teams impose a fine when parents do not take their turn helping. The Sea Dawg team would prefer not to do this. If your child does not want to swim in meets this is not the program for them. Precious time is spent coaching and the end result is that children compete. If your child does not want to compete but you want them to become a better swimmer then swim lessons are the more appropriate program for them to participate in. Children need to attend at least 75% of practices and three preceding a meet.

The Cost is \$400.00 for first child and each additional child is \$200.00.

The cost for girls suits is \$30.00 and the cost for boys is \$25.00

Registration and suit fitting for Sea Dawg team members and those that participated in spring practice 2013 will be as follows: Monday September 30 for those with the last name beginning A-H, Tuesday October 1 for those with the last name beginning I-P and Wednesday October 2 with the last name beginning Q-Z. The time is 5:30-7:30 pm.

Please do not come in on a day other than what has been assigned. This is a busy time for the front desk as well as for the person helping with suit fitting so please fill out your registration form in advance and be ready with your child's bathing suit size. Knowing the approximate size in advance will help save time. The suits provided for try on are limited to one per size and they are not team suits so they must be returned so other participants can use them. Please have your child prepared to swim after the suit try on so they can be assigned a group and coach. They must bring their own suit.

The suits used for try on will be returned to the swim shop on Tuesday October 7. Your child will not receive their suit until November 29. The final day for Sea Dawg registration will be on October 4, so please plan accordingly.

Tryouts for new members will be on Wednesday, October 2 and Friday October 4 from 6:15-7:15pm. If your child is told they have made the team you can do registration and suit try on. They will also receive a practice schedule.

Meet schedules are not available as of this printing.

The larger the group, the more motivation to improve. So come swim!

Aqua Aerobics

Why Aquatic Exercise?

Whether you are new to exercise, or maximally fit, aquatic exercise is an excellent and diverse form of fitness training. This exercise form utilizes the resistant property of water to yield a challenging workout, with minimal impact on the joints.

Classes are geared toward a range of ages and conditioning levels, in order to address individual fitness goals. Aquatic exercise is safe, fun, and effective! Use of buoyant equipment increases cardiorespiratory fitness, as well as muscular strength, toning, and flexibility. Classes are conducted in either a 4-foot deep pool (about chest deep or less) and/or the deep pool, using flotation belts. Aqua shoes are required. Dumbbells, flotation belts, and steps are provided. If you have not considered aquatic exercise please give us a try.

Lifeguards are present during the class.

IAIDO

Monday and Thursday,
7:00PM to 9:00PM
Ages 18 and over

Iaido, the way of the sword, is the art of drawing and using the traditional Japanese sword. Our group practices Muso Jikiden Eishin-Ryu Iaido, the most widely practiced style of Iaido and the second oldest martial art form in Japan.

Today, Iaido is practiced to develop mental discipline, awareness, and physical harmony. This is achieved through diligent practice and control of body and sword movements. Classes focus on correct breathing and posture, stretching and exercise, proper mental attitude, and mutual respect. This is emphasized by fostering a sense of camaraderie in a collegial and friendly atmosphere.

For detailed information please visit our school website at bostoniaido.com; or, by email at bostoniaido@yahoo.com.

AQUA ZUMBA

Aqua Zumba is the "pool party" workout for all ages. It is a class that integrates a fun, challenging and effective water-based workout converting the Zumba land based exercise system into traditional aqua based conditioning program. Due to the resistance and buoyancy of the water, the dance-based movements are executed in a slower than normal tempo. Still, the exercises are intense yet safe. A 45 minute class is thoroughly exhausting and exhilarating. You will kick, tap, shuffle and shimmy to Latin and world dance rhythms.

ZUMBA

Zumba is an exhilarating class that combines dance, Latin music and aerobics. You'll burn 400-700 calories in one hour of fun. The class feels more like a party than a gym workout. When you leave you will feel happy and energized. Beginners' and all age adults, shapes and sizes are welcome. All you need is a fun loving attitude and a desire to move.
